AMY CARROLL PHOTOGRAPHY

# HELLO! CONGRATULATIONS! I'M SO HAPPY YOU'RE HERE!

My approach to wedding photography is simple. My clients are unique and I want to document that in an organic, artistic and documenting style.

I have been photographing weddings professionally for over 15 years right here in my home state of Michigan, all over the country, and in various places all over the world. I couldn't be more grateful to my clients who allow me to do what I love and have entrusted me to document such an important day in their lives.

Commitment to Inclusion  
and Nondiscrimination

I am excited to connect and celebrate with people of all backgrounds, and am committed to foster an environment that is welcoming, inclusive and safe for all clients and individuals.

I will not discriminate on the basis of race, ethnicity, national origin, sexual orientation, gender identity, gender expression, physical or mental ability, religion, creed or age.

# Engagement Session

If you are interested in scheduling an engagement session with me, I would love to collaborate on an amazing shoot together. I have a lot of locations that I enjoy using and love to hear your ideas as well. It's not only a great way to invest in pictures of the two of you in this time together, but it allows me to get to know you as a couple as well!

---

A few things to keep in mind when scheduling::

My Summer and Fall schedule fills up fast and I recommend booking your session with me at least one season ahead of your desired timeframe. Due to my wedding schedule, I schedule all engagement sessions between April and October on weekday morning or evenings only. Fridays + Saturdays are reserved for weddings and Sundays are my day off\*

\*(I do make exceptions for Sunday weddings)

# Travel

Do I travel for weddings?  
Why, yes I do.

I also travel and have photographed weddings all over the world. Custom packages are available for destination weddings or weddings taking place outside of my homestate of Michigan.

# Additional Information

Custom quotes are available if you are looking for an elopement, needing less than 6 hours or just want something really unique.

My retainer fee to hold your date is \$500 and goes toward your final balance which is due two weeks prior to the wedding date.

When you are ready to book with me, I will create a contract and send it to you both via email to look over together. All signing takes place electronically.

I accept Venmo (@amycarrollphotography) or can invoice you so that you can pay via credit card. Cash and Check are also accepted.
